## National guidance

### DfE Guidance School Attendance (2014):

School attendance is subject to various education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education and Hampshire County Council. This Attendance policy is also consistent with the following school policies:

- admissions
- anti-bullying
- child protection
- safeguarding
- SEND report
- behaviour

## Rationale

The level of attendance and punctuality expected from all our pupils is included in our school's home-school agreement which parents must sign following their child's admission to a school.

For a child to reach his/her- full educational achievement a high level of school attendance is essential.

This chart indicates the impact of non-attendance on a child's education in terms of lessons missed.

% attendance	Days attended	This equates to School days lost in a year, out of a possible 194 days	Lessons missed in a year	Days lost over 7 years
--------------	---------------	--	--------------------------	------------------------

100	194	zero	zero	zero
99	192	2	8	14
97	188	6	24	42
94	182	12	48	84
90	175	19	76	133
<90	<175	20+	80+	140+

We are committed to providing an education of the highest quality for all our pupils and endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful. Every child has a right to access the education to which he/she is entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance. For our children to take full advantage of the educational opportunities offered it is vital your child is at school, on time, every day the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff and future aspirations depend on good attendance.

Good attendance is important because:

- Statistics show a direct link between under-achievement and absence below 95%
- Regular attenders make better progress, both socially and academically
- Regular attenders find school routines, school work and friendships easier to cope with
- Regular attenders find learning more satisfying
- Regular attenders are more successful in transferring between primary school, secondary school, and higher education, employment or training

## **Section 2: Operating the Policy**

### **2.1. Promoting Good Attendance**

The foundation for good attendance is a strong partnership between the school, parents and the child. The Home/School agreement contains details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

To help us all to focus on this we will:

- Report to you how your child is performing in school, what -his/her attendance and punctuality rate is and how this relates to pupil attainments
- Celebrate good attendance

### **Responsibilities of the School's Attendance Leader**

The head teacher will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school. This person will also ensure that attendance is both recorded accurately and analysed. She will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

If absence is frequent or continuous, except where a child is clearly unwell, staff will discuss with parent/carers the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school.

### **Responsibilities of Classroom Staff:**

- Ensure that all students are registered accurately
- Promote and reward good attendance at all appropriate opportunities.
- Communicate any concerns or underlying problems that may account for a child's absence.

### **Responsibilities of Pupils:**

- Attend every day unless ill or have an authorised absence.
- Arrive in school on time.
- Go to all their registrations and lessons on time.
- Take responsibility for registering at the School Office if late or are leaving the school site during school hours.

### **Responsibilities of Parents and Carers:**

Ensuring your child's regular attendance at school is a parent/carers legal responsibility (section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.

Parents will:

- Inform the school on the first day of absence.
- Discuss with the class teacher any planned absences well in advance.
- Support the school with their child in aiming for 100% attendance each year.
- Make sure that any absence is clearly accounted for by phone or text on the first and subsequent days of absence, or by letter if a phone is unavailable.
- Avoid taking their child out of school for non-urgent medical or dental appointments.
- Only request -leave of absence if it is for an exceptional circumstance

### **3.1 Recording attendance**

The school day begins at 8.55am and all pupils are expected to be in school at the time. Children enter school at 8.50am. Morning registration is at 8.55 am and it closes at 9.05am

- All lateness is recorded daily. This information will be required by the courts, should a prosecution for non-attendance or lateness be necessary
- Arrival after the close of registration will be marked as unauthorised absence code 'U' in line with county and Department for Education (DfE) guidance. This mark shows them to be on site, but is legally recorded as an absence.
- If a pupil is late due to a medical appointment, he/she will receive an authorised absence coded 'M'. Please be advised that where possible doctors and dentists appointments are to be made outside of school hours or during school holidays.

### **3.2 Persistent Late Arrivals (after close of gate at 8.55am)**

Pupils who are consistently late are disrupting not only their own education but also that of the other pupils. On-going and repeated lateness is considered as unauthorised absence and will be subject to legal action (see section 6 for further detail).

Parents, guardians or carers of pupils who have patterns of lateness (arrival after 8.55am) will be contacted to discuss the importance of good time keeping and how this might be achieved. If lateness persists, parents, guardians or carers will be invited to attend the school and discuss the problem and support offered. If support is not appropriate or is declined and a child has 10 or more sessions of unauthorised absence due to lateness recorded in any 10 week period the school or the Hampshire County Council will be required to issue parents with a penalty notice in accordance with Hampshire's Code of Conduct for issuing penalty notices for non-attendance (See section 6 of this policy for further detail).

### **3.3 What to do if my child is absent?**

First day absence

A child not attending school is considered a safeguarding matter. This is why information about the cause of any absence is always required.

If your child is absent you must:

- Contact us as soon as possible on the first day of absence;
- Send a note in on the first day he/she returns with an explanation of the absence – you must do this even if you have already telephoned us;
- Or, you can call into school and report to reception.

If your child is absent we will:

- Telephone or text you on the first day of absence if we have not heard from you; *This is because we have a duty to ensure your child's safety as well as his/her regular school attendance*
- Invite you in to discuss the situation with the Head teacher
- Refer the matter to the Hampshire's Attendance Legal Panels if absence is unauthorised and falls below 90%

### **Third Day Absence**

Please Note: If your child is not seen and contact has not been established with you any of the named parent/carers after three days of absence the school is required to start "child missing in education" procedures as set down by Hampshire County Council Guidance. We will make all reasonable enquires to establish contact with parents and the child including making enquires to known friends, wider family

### **Ten Day's Absence**

We have a legal duty to report the absence of any pupil who is absent without an explanation for 10 consecutive days. If the child is not seen and contact has not been established with the named parent/carers then the Local Authority is notified that the child is 'at risk of missing'. Children's Services Staff will visit the last known address and alert key services to locate the child. So help us to help you and your child by making sure we always have an up to date contact number. There will be regular checks on telephone numbers throughout the year.

### **Continued or Ongoing Absence**

If any child misses 10% (3 weeks ) or more schooling across the school year for whatever reason, he/she is defined as a persistent absentee.

Absence for whatever reason disadvantages a child by creating gaps in his or her learning. Research shows these gaps affect attainment when attendance falls below 95%. As such we monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education. If your child has had absence and his/her attendance level is falling towards 90% we will contact you for a discussion.

Children at this school are dependent on their parents/carers, who are responsible for their level of attendance and punctuality. It is vital that children enjoy coming to school, and whilst being encouraged to attend well and on time, they will not carry blame and be made to feel unhappy if their parents are not supportive or effective in these areas.

#### **Section 4**

##### **Request for Leave of Absence:**

Amendments to school attendance regulations were updated and enforced from September 2013: (Pupil registration) (England).

These regulations state that

Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. It is important to note that Headteachers can determine the length of the authorised absence as well as whether absence is authorised at all. The fundamental principles for defining 'exceptional' are rare, significant, or unavoidable which means the event could not reasonably be scheduled at another time. There are no rules on this as circumstances vary from school to school and family to family. There is however, no legal entitlement for time off in school time to go on holiday and in the majority of cases holiday will not be authorised. Parents/Carers wishing to apply for leave of absence need to fill in an application form available from the school office in advance and before making any travel arrangements.

If term time leave is taken without prior permission from the school, the absence will be unauthorised and if the number of sessions absent hits the thresholds set down in Hampshire's Code of Conduct parent/carers will be issued with a fixed-penalty fine, or other legal action in accordance with the code (see section 6 for detail).

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children out during school time.

#### **Section 5**

##### **Understanding types of absence:**

Pupils are expected to attend school every day for the entire duration of the academic year, unless there is an *exceptional reason* for the absence. There are two main categories of absences:

**Authorised Absence:** is when the school has accepted the explanation offered as satisfactory justification for the absence, or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised.

**Unauthorised Absence:** is when the school has not received a reason for absence or has not approved a child's absence from school after a parent's request. This includes: parents giving their children permission to be off school unnecessarily such as for shopping, birthdays, to look after siblings; truancy before or during the school day; absences which have not been explained

A school can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to school there is evidence he/she has been on holiday.

#### **Section 6 Penalty Notices**

##### **Penalty Notices for Non Attendance and other Legal Measures:**

In Education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school.

##### **Legal Measures for tackling persistent absence or lateness**

Hampshire Schools and Hampshire County Council will use the full range of legal measures to secure good attendance. Legal measures will only be considered through a referral to Hampshire's Attendance Legal Panels where:

The child or family do not require the support from any agency to improve the attendance

The child has 10 or more sessions of unauthorised absence and parents are complicit in the child's absence.

The following legal measures are for pupils of compulsory school age who are registered at a school:

- Parenting contracts set at Education Planning Meetings
- Parenting orders
- Penalty notices
- Education Supervision Orders
- Prosecution

Legal Measures for absence are taken when the headteacher has declined parent/carers request for leave of absence.

Where a pupil has unauthorised absence due to non approval of a parent/carer's request for leave of absence or a holiday that has been taken without permission and the unauthorised absence is for 10 or more sessions (5 days) in any 100 possible school sessions then a penalty notice for non-attendance will be issued

Where a child has unauthorised absence the school must enforce Hampshire's Code of Conduct for issuing Penalty Notices or follow its guidance on other Legal Measures for Non-Attendance. The Code of Conduct is a statutory document that ensures that powers for legal sanctions are applied consistently and fairly across all schools and their families within the authority. A copy is available from

<http://www3.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-for-parents/possible-penalties.htm>

### **The code of conduct states that:**

Schools or Hampshire Local Authority will issue a Penalty Notice for any unauthorised absence where the pupil has been:

- absent for 10 or more half-day sessions (five school days) of unauthorised absence during any 100 possible school sessions – these do not need to be consecutive
- persistently late (coded *U*) for up to 10 sessions (five days) after the register has closed
- persistently late before the close of the register (coded *L*), but the school has met with parents and has clearly communicated that they will categorise as unauthorised any further lateness (code *O*), and where the threshold of 10 sessions (five days) has been met
- absent for any public examinations of which dates are published in advance
- absent for any formal school assessments, tests or examinations where the dates have been published in advance unless the issuing of a Penalty Notice would conflict with other intervention strategies in place or other sanctions already being processed.

If a child's unauthorised absence meets any of the above criteria and the family or child does not require any agency support to improve the attendance then a single Penalty Notice is issued for either:

10 sessions of unauthorised absence or lateness in any 10 week school period or

1 or more sessions of unauthorised absence during a public exam, formal school assessment or testing where dates are published in advance.

Parents and Carers will be warned of the likelihood of a penalty notice (PN) being issued for unauthorised absence either via a letter, through the leave of absence request form, or through the school's attendance policy and website. The PN is a fine that is issued to each parent/carer who condoned (or was responsible for the child) during the period of unauthorised absence for which the fine has been issued. For each case of unauthorised absence the school or Hampshire County Council will decide whether a PN is issued to one or more parent/carers for each child. N.B This could mean four PNs for a family with two siblings both with unauthorised absence for holiday i.e. one PN for each child to each parent

Each PN carries a fine of £60 if paid within 21 days of it being posted. If the fine is not paid within 21 days the penalty is automatically increased to £120 if paid within 28 days. If the fine remains unpaid Hampshire County Council will consider prosecution for the non-attendance. Payment methods are detailed on the PNs themselves. Penalties are to be paid to Hampshire County Council and revenue resulting from payment of Penalties is used by the County Council to help cover the costs of issuing PNs and/or the cost of prosecuting recipients who do not pay. For further information parents/carers can request a leaflet from their school and should visit Hampshire County Councils website at: <http://www3.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-for-parents/possible-penalties.htm>

### **Section 7 Reluctance to come to school**

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's class teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem. In some cases you may find it helpful to discuss the circumstances of your child's difficulties with another professional.

### **What can I do to encourage my child to attend School?**

- Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his / her education.
- Be interested in what your child is doing in school, chat to them about the things they have learnt, what friends they have made and even what they had for lunch!

For many parents, your child attending school may be your first experience of being separated from them. This can seem daunting at first for both of you but consistency and a caring supportive home and school life will make the transition a quick and easy experience for you both.

### **Absence through competing at regional, county or national level for Sport.**

Parents of able sports children can seek leave of absence from school for their child to take part in a regional, county, national and international events and competitions. It is however, down to the headteacher's discretion whether to authorise this and she/he will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions is also at the discretion of the Headteacher and is not likely to be approved if it is a regular event, unless the sports club or association is providing an education tutor as part of their coaching.

### **Section 8 Record preservation**

School registers are legal documents. We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years. Computer registers will be preserved as electronic back-ups or microfiche copies
