7<sup>th</sup> February 2017

Dear Parents,

**BEECH CLASS Natural History Museum Visit**

This term, Beech class are studying 'Evolution and Inheritance' in Science. As part of our work, we have booked a trip to The Natural History Museum on Monday 13<sup>th</sup> March 2017. The day will include lots of hands-on activities including a dinosaur investigation and using 'Investigate' – the state-of-the-art Science Centre within the museum.

To allow the children to have as much time at the Museum as possible, it will mean dropping off and collecting your child outside of normal school hours, which is why we are writing as early as possible to give you plenty of notice. **We will be departing from school at 8.00am promptly and will be returning at approximately 4.00-4.30pm.** We will be travelling in a single-decker coach fitted with seats belts.

It will be necessary to ask for a voluntary donation of **£20 per child** which helps towards the cost of transport and the workshops. The St Faith's School Association has raised £200 to subsidise this trip as Year 6 is a small class and costings are based on a full size class. This day and the activities planned promise to be very interesting and will give the children a very memorable, educationally rewarding day. The children will need a packed lunch and a drink in a plastic bottle, no glass bottles or cans please.

We are looking for **parent helpers**, to support the children in small groups throughout the day, so if you are able to help, please could you indicate on the slip below. Thank you in advance for any parents who are able to help!

Please complete the slip below and makes cheques payable to Hampshire County Council.

Yours sincerely,

Ms John and Mrs Hanson
