A message from the Headteacher

Dear Parents,

Thank you so much to all those who were able to join us, this Wednesday evening, for our annual Parents' Information Evening. If you weren't able to join us, all of the slides will be made available on the school website. Thank you, also, to those who were able to complete the feedback on Survey Monkey – it is definitely the way forward.

You will have seen a letter about Harvest Festival donations for this year, which we will be receiving from Monday 30th September – let us give generously to those in need as we support Winchester Basics Bank and Winchester Churches Night Shelter next week. Finally, thank you to the families of our Y6 pupils who donated cakes for the cake sale, today – the proceeds will go directly to Beech Class.

Yours faithfully,

Mr. Fountain

Minstead outcome for Year 4 parents

Year 4 parents are warmly invited to hear all about their residential visit to Minstead. The presentation will be at 9:15am on Thursday 10th October.

Sweets and cakes for childrens' birthdays

We take careful precautions in school to ensure that, as far as is practicable, children with allergies do not come into contact with foods which are harmful to them. For these reasons, we politely request that no sweets or cakes are brought in to school for birthday celebrations.

Y6 Girls' Football tournament

On Thursday 19th September, nine of our Y6 girls attended a football tournament at Toynbee School, Eastleigh. It was a very successful occasion, with the team losing one, drawing three and winning two matches. It was a lot of games to play, each game being seven-a-side and six minutes long. Emily and Evie scored well for the team and Thea did an excellent job in goal. The girls are *very* keen for more matches together, as this was their first time as a team; they feel that there is more to come!

Bumped-head wrist bands

As you will be aware, we communicate with you by letter if your children receive a bump to the head in school. Because letters can get lost, as can bumped-head stickers, we will now be issuing wrist bands instead (ours are bright yellow, so you won't miss them!), much like those worn at swimming pools and events.

If your child does have a bump to the head, this QR code will take you to an NHS website which tells you what to look out for and what action to take if you are worried.

Roles and Responsibilities 2019/20

We are delighted to announce the appointment of both our Year 6 leaders and School councillors for the year ahead. A big well done goes to all those who applied and presented – teachers were very impressed with your presentations.
